RE: Bus Stop Bible Studies on Prince Albert Transit

This letter is to confirm that we have reviewed samples of Bus Stop Bible Studies advertising material and have found them to be in compliance with Prince Albert Transit's advertising rules and regulations. Unfortunately we do not have any advertising located on our buses.

The City does however have advertising displays on Benches and Shelters at our bus stops and would be willing to allow you to place your advertising on these advertising mediums. To purchase advertising space you can call P.A.S.S. Advertising at (306) 960-3989.

Please contact me if you have any questions or concerns.
